## Education

**Full Stack Development**  
Masai School  
September 2024-present

## Technical Skills

CSS3

Git

Responsive Web Design

HTML5

Node.js

JavaScript

## Soft Skills

Teamwork

Problem Solving

Effective Communication

Time Management

## Achievements

**Reached Final Round of  
IIT Bombay's Eureka!**

*IIT Bombay*

I am a finalist of Eureka! by IIT Bombay, which is Asia's

# Shivateja Keerthi

## Full Stack Web Developer

## Professional Summary

Dynamic full-stack web developer proficient in the MERN stack, adept at designing scalable web applications with seamless frontend and backend integration. Demonstrates strong problem-solving skills and the ability to rapidly learn new technology stacks, including Generative AI, ensuring cutting-edge development practices.

## Projects

**myCityWeather** [Live Demo Link](#) [Github Repo Link](#)

JavaScript

CSS3

HTML5

Responsive Web Design

RESTful APIs

Git

- Built a responsive weather application using JavaScript, RESTful APIs, and CSS, providing real-time weather data globally.
- Developed an intuitive and interactive UI featuring an integrated map and search history functions to enhance user engagement.
- Ensured optimized performance for various devices by implementing responsive design principles and local time display features.
- Collaborated with team members using Git to manage version control and improve development workflows.
- Applied best practices to create a reliable and stable application, staying up-to-date with the latest web technologies.

**Binge Shop** [Live Demo Link](#) [Github Repo Link](#)

Responsive Web Design

React

JavaScript

Git

Firebase

HTML5

- Developed a modern e-commerce platform with React and JavaScript, implementing responsive design for optimal user experience across devices.
- Integrated Firebase for user authentication, ensuring secure access and management of user accounts.

largest entrepreneurial  
championship.

## Certifications

### Learn SQL

*CodeChef*

This certificate showcases my passion for learning new things on a daily basis. I am happy that I have completed all the lessons and projects of SQL as part of my SQL course by CodeChef.

### Masai Speaking Marathon

*Masai School*

Demonstrated tremendous commitment, focus, and endurance by completing this 21-day speaking challenge to enhance my communication skills.

- Implemented shopping cart functionality and payment methods management to facilitate seamless online transactions.
- Optimized the platform with features such as product browsing by category, search functionality, and order tracking capabilities.
- Ensured efficient version control and collaborative development using Git, adhering to best practices in web development.
